

How to Share a Facebook Post to Groups & Pages

<p>Open your web browser of choice.</p>	
<p>Navigate to the Facebook website by typing <i>www.facebook.com</i> into the browser's search bar.</p>	
<p>Navigate to the post you would like to share.</p>	
<p>Select 'Share' button below the post.</p>	 <p>The screenshot shows a Facebook post from DISABILITYSCOOP.COM. The post features a photo of a woman in a pink dress at the 66th Grammy Awards. The text of the post reads: "Teacher Who Created Orchestra For Students With IDD Wins Grammy". Below the text, there are three likes and three comments. The 'Share' button is highlighted with an orange arrow pointing to it.</p>
<p>To share to a group, select the 'Share to a group' option.</p>	 <p>The screenshot shows the Facebook sharing menu. The options are: "Share now (Public)", "Share to Feed", "Send in WhatsApp", and "Share to a group". The "Share to a group" option is highlighted with an orange arrow pointing to it.</p>

<p>Select which group you would like to share it to.</p>	
<p>Add a text to your post and select the Share button.</p>	
<p>To share a post to a page, select the 'Share to Feed' option.</p>	

Add text to your post and select Share.
